SUMMER PAY OPTION

Rio School District Employees:

Employees that work 10 months per year have the option to participate in the Summer Pay Program. This gives you a choice of 10 checks or 12 checks per year.

How Does It Work? From the base pay, subtract all voluntary DEDUCTIONS (except Summer W/H), TAXES (Federal, State, OASDI, Medicare, SUI, and W/C), and REDUCTIONS (STRS/PERS, section 125, TSA, etc.). 16.667 of your monthly net pay is taken from your regular September through June paychecks. This deduction is then paid back to you in the two summer checks.

*** PLEASE NOTE: ONCE A CHOICE HAS BEEN MADE IT CANNOT BE CHANGED UNTIL THE NEXT FISCAL YEAR. TAXES ARE TAKEN AT TIME OF EARNINGS RATHER THAN THE TIME OF SUMMER DISTRIBUTION.**

If you have any questions regarding summer pay, contact the Payroll Department.
