

## **RIO SCHOOL DISTRICT SATURDAY SUCCESS ACADEMY**

Dear Parent/Guardian

The Rio School District extends a great welcome to parent's and student's to our Saturday Success Academy. The program is designed to increase the academic achievement of Socioeconomically disadvantaged students attending Title I schools in PI Year 2 and beyond. Student's meeting criteria are eligible to receive alternative supports for the 2016-17 school Year.

Saturday Success Academy offers a four-hour program from 8:30 a.m. to 12:30 p.m. A nutritional snack will be provided and transportation will be available for those students that are not within the Rio Plaza attendance area.

We have a great staff of motivated teachers to excite the students about academic areas in English Language Development & Literacy, Science & Math, Arts, Music & Physical Education. Students may explore these academic areas through problem solving, innovation and creativity.

Thank you for allowing the Rio School District to be a part of your child's educational present and future.

Sincerely,

The Rio School District
