Recommended Action It is recommended that the Independent Auditors Annual Financial Reports be approved.

Public Content

Speaker: Wael Saleh, Assistant Superintendent

Rationale: As required by Education Code 41020, the District undergoes independent financial and compliance audits annually. An audit of the district as a whole is performed as well as a separate audit of the Measure G bond funds. The audits serve a variety of purposes, including ensuring the fiscal integrity of the District and identifying areas for improvement.

The audit firm of Vavrinek, Trine, Day, and Company has submitted their findings to the Board of Education. A representative of the firm will be present to provide an overview of their findings and respond to any questions the Board may have. Copies of the reports have been sent to the Board under separate cover.

The audits comply with all state standards for school district audits and fulfill the District's obligation for outside oversight per state law.

Recommended Action It is recommended that Resolution 1819/13 be approved and adopted.

Public Content
Speaker: Wael Saleh, Assistant Superintendent

Rationale:

The purpose of this resolution is to authorize the District to issue the first series of bonds from the 2018 Measure L election ("Series A Bonds").

The Board of Trustees called a general obligation bond election, known as Measure L, pursuant to its Resolution No. 1718/32, held on November 6, 2018, asking voters to authorize the District to issue up to $59,200,000 in general obligation bonds. The Registrar of Voters of Ventura County (the "Registrar") certified that at least 55 percent of the votes cast on Measure L were in favor of issuing bonds. The results of the Measure L election were entered on the minutes of the December 12, 2018 Board meeting.

The Board is being asked to consider adoption of this resolution, authorizing the Series A Bonds. Proceeds from the Bonds will used to fund authorized Measure L school facilities projects. The resolution approves draft financing documents (listed below) in substantially final form and authorizes District staff to take actions consistent with the intent of the resolution in order to complete the financing.

WHEREAS, pursuant to California Education Code sections 5304, 5322 and 15264 et
seq., Article XIII A, Section 1(b), and Article XVI, Section 18(b), of the California Constitution,
the Board of Trustees (the “Board”) of the Rio Elementary School District (the “District”) adopted
its Resolution No. 1718/32 on June 6, 2018 (the “Election Resolution”), ordering a school bond
election, which was then regularly held in the District on November 6, 2018;

WHEREAS, the measure for incurring bonded indebtedness, which was fully described in
the Election Resolution, was submitted to the voters at the election and abbreviated on the ballot
as follows:

MEASURE L: “To improve the quality of education; modernize
outdated classrooms, restrooms and facilities; make
health, safety, and security improvements; provide
HVAC; upgrade technology; and construct new
classrooms and libraries, shall Rio Elementary School
District issue $59,200,000 of bonds at legal interest rates,
raising on average $3,480,000 annually as long as bonds
are outstanding, at a rate of approximately 2.7 cents per
$100 assessed value, with annual audits, independent
oversight committee, NO money for salaries, and all
money staying local?"

BONDS-YES BONDS-NO

WHEREAS, the returns of the election were thereafter canvassed pursuant to law, the
Certificate of Election received from the Registrar of Voters of Ventura County authenticated that
more than 55% (the amount required for passage) of the votes cast were in favor of issuing the
general obligation bonds (the “Bonds”), the Board entered that fact upon its minutes on December
12, 2018, and thereafter certified the election proceedings to the Board of Supervisors (“Board of
Supervisors”) of Ventura County (the “County”);

WHEREAS, the Board is in the process of establishing and appointing a Citizens’
Oversight Committee in accordance with Education Code Section 15278;
WHEREAS, the Board has determined that it is necessary and desirable to issue and sell the first series of the Bonds authorized by the electors, such series of the Bonds to be designated generally the “Rio Elementary School District, General Obligation Bonds, Election of 2018, Series A” (the “Series A Bonds”), in an aggregate principal amount set for the below, according to the terms and in the manner hereinafter set forth;

WHEREAS, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of the Series A Bonds of the District; and

WHEREAS, the indebtedness of the District, including the proposed issuance of the Series A Bonds, is within all limits prescribed by law.

NOW, THEREFORE, be it resolved by the Board of Trustees of the Rio Elementary School District, as follows:

Section 1. Recitals. The Board hereby finds and determines that the foregoing recitals are true and correct.

Section 2. Series A Bonds: Issue Authorized. The Board hereby authorizes the issuance of the Series A Bonds as Current Interest Bonds (as such term is defined in the Paying Agent Agreement described below) in an aggregate principal amount not to exceed $33,000,000. The costs of issuance of the Series A Bonds (including estimates of compensation for the underwriter and premium for bond insurance) are estimated to be $532,500. The District is issuing the Series A Bonds pursuant to the terms of Article 4.5, Chapter 3, Part 1, Division 1, Title 1 of the California Government Code (commencing with Section 53506). Other terms and conditions of the Series A Bonds and their execution, issuance, and sale, not prescribed by Article 4.5 referred to above, shall be governed by the relevant provisions of the Government Code and Education Code.

Section 3. Approval of Paying Agent Agreement. The Board hereby approves the form of the Paying Agent Agreement (the “Paying Agent Agreement”) between the District and U.S. Bank National Association (the “Paying Agent”), as presented to this meeting and on file with the Secretary of the Board. The President, Clerk, and Secretary of the Board, the Superintendent, and the Assistant Superintendent of Business Services (the “Designated Officers”), or their designees, and each of them individually, are hereby authorized for and in the name of and on behalf of the District, to execute and deliver to the Paying Agent, the Paying Agent Agreement in substantially that form, with such changes therein as the Designated Officer or Officers executing the Paying Agent Agreement, with the advice of Parker & Covert LLP (“Bond Counsel”), may require or approve. The execution of the Paying Agent Agreement by a Designated Officer or Officers shall constitute conclusive evidence of such officer’s or officers’ and the Board’s approval of such changes. The date, respective principal amounts of each maturity, the interest rates, interest payment dates, denominations, form, registration privileges, place or places of payment, terms of redemption, and other terms of the Series A Bonds shall be as provided in the Paying Agent Agreement, as finally executed.
Section 4. Approval of Method of Sale and Bond Purchase Agreement. The Series A Bonds shall be sold upon the direction of a Designated Officer, and pursuant to the terms of a Bond Purchase Agreement (defined herein). The Board hereby authorizes the sale of the Series A Bonds by way of a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Series A Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriter (as defined below) to pre-market the Series A Bonds to potential purchasers prior to the sale, all of which will contribute to the District’s goal of achieving the lowest overall cost of the financing. The Board hereby further authorizes the sale of the Series A Bonds provided that the maximum interest rate on the Series A Bonds shall not exceed the maximum interest rate permitted by law, and the underwriter’s discount, net of the cost of bond insurance, if any, shall not exceed 0.500% of the principal amount of the Series A Bonds.

The Board hereby further approves the form of the Bond Purchase Agreement relating to the Series A Bonds (the “Bond Purchase Agreement”) between the District and Raymond James & Associates (the “Underwriter”), in the form as presented to this meeting, and on file with the Secretary of the Board. The Board hereby declares the District’s official intent to use a portion of the proceeds of the proposed indebtedness to reimburse the District for the Reimbursement Expenditures. The foregoing statement is a declaration of official intent that is made under and only for the purpose of establishing compliance with the requirements of Treasury Regulations section 1.150-2 and Section 54A(d)(2)(D) of the Internal Revenue Code of 1986, as amended.

Rationale:

As a result of the passage of AB2449, beginning in December 2019, school board member terms will begin on the 2nd Friday in December. AB2449 allows county elections the full 30 days needed to certify election results prior to swearing in Board members. For 2019, Annual Organizational Meetings must therefore be held between Friday, December 13th to Friday, December 27th.

We will need to adjust our board meeting for December from the 11th to December 18th.

**Rationale:** USC has contacted us requesting a placement for a student teacher. We do not currently have an agreement for services with USC. Presented is a copy of the proposed agreement for services. This agreement opens a new partnership with USC and adds to our group of ongoing university partnerships we currently have throughout California. It is recommended the agreement be approved so the candidate may begin their student teaching assignment with us.

USC SCHOOL/SCHOOL DISTRICT PLACEMENT AGREEMENT

This School/School District Placement Agreement ("Agreement") is made this DAY day of MONTH, 20 YEAR, effective Date, by and between [SCHOOL/DISTRICT], with an address located at [ADDRESS] ("School" or "District"), and the University of Southern California, a California nonprofit educational institution, with an address of Waite Phillips Hall, 3551 Trousdale Parkway, ADM 352, Los Angeles, CA 90089 ("USC"). USC and School/District may be referred to collectively as the "parties" and individually as a "party."

WHEREAS, USC offers graduate degree programs to its students ("Candidates") in classroom and in online learning environments; and

WHEREAS, with respect to the online learning environment, USC Rossier and the USC Suzanne Dworak-Peck School of Social Work offer graduate degree programs with an online learning component and field placement experiences ("Programs"), including, among others, Programs in the fields of teaching, school counseling, and social work.

NOW THEREFORE, intending to be legally bound hereby, the parties agree as follows:

1. Placements. The School/District agrees to host one or more Candidates in accordance with the terms of this Agreement and as further set forth in either: (a) the Teaching Candidate Addendum with respect to teaching Candidates; (b) the School Counseling Candidate Addendum with respect to School Counseling Candidates; (c) the School of Social Work Candidate Addendum with respect to School of Social Work Candidate; or (d) such other addenda for such additional Programs as may be agreed upon by the parties from time to time. Each aforementioned Addendum (collectively, the "Addenda") is incorporated into and made a part of this Agreement.

2. Placement Opportunities.

(a) USC will request placements for its Candidates for one or more of the Programs detailed in the Addenda. Each request shall identify the particular Candidate (or, for groups of Candidates, a composite description of relevant background, assignment request, assignment objectives and suggested activities as appropriate to requested assignments for the Candidate group). USC shall comply with any School/District policy applicable to such placement requests and provided by the School/District to USC.

(b) The School/District agrees to use good-faith efforts to place Candidates proposed by USC within the School/District. The School/District shall have the sole discretion with respect to all Candidate assignments hereunder, provided that the School/District shall involve USC throughout the decision-making process. The School/District shall not in any way be obligated to accept assignments of Candidates beyond the capabilities of the School/District, as determined by the School/District in its sole discretion. The School/District shall have the right to terminate its relationship with any Candidate for violation of the School’s/District’s regulations or for other reasonable cause in accordance with the School’s/District’s standard policies or practice.

3. Compliance with Law.

(a) Background Investigations. (i) USC shall inform each Candidate being hosted by the School/District that they are required to complete a background check and receive appropriate clearance(s) in accordance with applicable state and local law prior to commencing any assignment at the School/District (e.g., a State-issued Certificate of Clearance in the case of a teacher placement in California). (ii) The School/District may impose requirements upon Candidates in addition to those required by state law as set forth in Section 3(a)(i) above (the "Additional Requirements"). In such event, the School/District agrees to provide all such Additional Requirements in writing to USC promptly following execution of this Agreement (or, as applicable, promptly upon any adoption or modification thereof occurring during the Term of this Agreement). USC shall communicate all such
Additional Requirements to Candidates, and shall advise Candidates to make any and all additionally required submissions directly to the School/District. Upon notice to the Candidate, the School/District shall have the right to reject any Candidate who fails to comply with the Additional Requirements from participating in an assignment at the School/District.

4. **No Employment Relationship of Candidates.**

   (a) Candidates are students, and not employees of USC or the School/District. As such, they are not covered by USC's or the School's/District's workers' compensation policies.

   (b) Candidates are neither entitled to, nor shall receive, any compensation or other employee-related benefit (without limitation) from USC or the School/District. Candidates shall not displace any School/District employee.

   (c) The School/District shall provide in writing any requirements for Candidates to obtain and maintain personal liability insurance coverage, which requirements may vary based on the applicable Program. USC shall communicate to Candidates any such School/District coverage requirements, provide reasonable assistance to Candidates in obtaining such coverage, and facilitate each Candidate's submission of appropriate documentation thereof directly to the School/District (which the School/District agrees to accept).

5. **Information, Hiring & Confidentiality.**

   (a) USC is a non-profit, educational research institution interested in evaluating the success of its graduates in impacting student achievement relative to comparable teachers, school counselors, school social workers, or other appropriate position, as the case may be. As such, USC may request the School/District to provide information to assist USC in its evaluative process. If available, the School/District shall provide such information to USC following any such reasonable request.

   (b) The School/District may hire any Candidate(s) upon program completion, but is under no obligation to do so.

   (c) USC shall not request the School/District to provide any health or other records of any student of the School/District covered by the Family Educational Rights and Privacy Act ("FERPA"); nor shall USC request any Candidate to share any protected School/District data (whether about School/District students or personnel) with USC.

   (d) To the extent that any party to this Agreement discloses any confidential information to any other party hereof in connection with the relationships contemplated hereunder, the parties agree during the term of this Agreement (and all renewals thereof) and for a period of two (2) years thereafter to use reasonable efforts to protect, maintain as confidential, and not disclose, any such confidential information of any other party.

6. **Compliance with the Law.** The parties hereto shall comply with all applicable federal, state and local laws, rules, statutes, acts, regulations, code and similar legal requirements, including but not limited to FERPA.

7. **Non-Discrimination.** Each party represents that it is an equal opportunity employer. Each party certifies that it does not, and shall not, discriminate against its employees, students, Candidates or applicants on any unlawful basis. Each party certifies that it is, and shall remain, in compliance with all laws, regulations, executive orders or other legal prohibitions against discrimination.

8. **Indemnification.**
(a) **Indemnification by School/District.** The School/District shall indemnify, defend and hold harmless USC, its employees, agents and representatives, from all claims, actions, awards or judgments for damages, including costs, expenses and attorneys' fees, where liability is found to exist by reason of the acts or omissions of the School/District, its employees, agents or representatives.

(b) **Indemnification by USC.** USC shall indemnify, defend and hold harmless the School/District, its employees, agents and representatives, from all claims, actions, awards or judgments for damages, including costs, expenses and attorneys' fees, where liability is found to exist by reason of the acts or omissions of USC, its employees, agents or representatives.

9. **Governing Law.** The interpretation, application, and enforcement of this Agreement shall be governed by the laws of the State of California without reference to choice of law principles. Any claim, suit, or cause of action involving the interpretation, application, or enforcement of this Agreement shall be commenced in the appropriate state or federal courts in the State of California.

10. **Term, Termination and Renewal.** The Term of this Agreement shall begin as of the later of the Effective Date or the date of the School's/District's signature set forth below ("Term Commencement Date") and continue through June 30th of the calendar year following the third anniversary of the Term Commencement Date. Unless any party terminates this Agreement pursuant to this Section 10, this Agreement shall automatically renew for successive one (1) year periods beginning each July 1st thereafter. Any party may terminate this Agreement with or without cause upon written notice to the other party, provided that any such termination shall only be effective after the end of the school year during which the written notice of termination is issued. For the avoidance of doubt, other than where the School/District removes a Candidate pursuant to Section 2(b) above, the School/District shall permit current Candidates to complete the current school year at the time of any such termination.

11. **Notices.** Any notice to be given hereunder by any party to this Agreement shall be in writing and will be deemed given on the date received as evidenced by confirmation of receipt, except if such confirmation is later than 3:00 p.m. (School/District local time), addressed as follows (provided that, upon written notice in accordance herewith, any party may update its notice recipients at any time during the term of this Agreement):

13. **Severability.** In the event that any provision of this Agreement conflicts with the law under which this Agreement is to be construed or if any such provision is held invalid or unenforceable by a court with jurisdiction over the parties to this Agreement, such provision will be restated to reflect as nearly as possible the original intentions of the parties in accordance with applicable law; and the remaining terms, provisions, covenants, and restrictions of this Agreement will remain in full force and effect.

14. **Entire Agreement/No Modification/Counterparts/Execution/Binding Agreement.** This Agreement constitutes the entire agreement between the parties with respect to its subject matter, and fully supersedes and

TEACHING CANDIDATE ADDENDUM
TO THE ROSSIER PLACEMENT AGREEMENT

This Teaching Candidate Addendum to the School/School District Placement Agreement ("Addendum") is incorporated into and made a part of that certain School / School District Placement Agreement (the "Agreement") executed concurrently with this Addendum (or subsequently on the date indicated below), and is effective as of "Term Commencement Date", as defined in the Agreement. Capitalized terms not otherwise defined in this Addendum shall have the meaning ascribed to them in the Agreement.

1. **Controlling Terms.** The terms of this Addendum modify and supplement the Agreement. Whenever any inconsistency or conflict exists between the Agreement and this Addendum, the terms of this Addendum control and supersede the Agreement. In all other respects, the terms of the Agreement are ratified and confirmed.

2. **Placement Opportunities.** USC shall identify prospective Candidates to the School/District for potential placement within the School/District, including assignment to a teacher of record, in the following categories: (i) "Observation Students" (e.g., recess observation, lunchtime interactions, interactions with parents/teachers, etc.); (ii) "Research Students" (e.g., case study, classroom observation with student interaction, lesson delivery as part of fieldwork, etc.); and (iii) "Student Teachers" (i.e., "Guided Practice", with "Guiding Teachers", as defined in Section 3 below). USC shall supply the Candidate’s name, relevant program and background clearance information and type of assignment appropriately matching the prospect’s needs. Notwithstanding the foregoing, the School/District shall at all times have discretion over the maximum number of Candidates it shall accept as Observation Students, Research Students and Student Teachers, the length of assignments, and the distribution of assignments.

3. **Guiding Teachers.**

   (a) The School/District shall make recommendations to USC regarding teachers whom it believes are appropriate to serve as Guiding Teachers (defined below). Through the School’s/District’s recommendations, USC’s observations and Student Teacher reference, USC shall identify teachers working within the School/District to supervise and prepare Student Teachers during their student teaching experiences ("Guiding Teacher").

   (b) Both the School/District and USC shall approve the participation of any teacher as a Guiding Teacher, provided that the School/District shall use its best efforts to approve a sufficient quantity of Guiding Teachers necessary to oversee the agreed-upon number of Student Teachers placed within the School/District at any time.

   (c) Should any Guiding Teacher become unable to perform or fulfill his or her duties hereunder, the School/District shall assign an alternative Guiding Teacher to the Student Teacher (excluding a substitute teacher that replaces the original Guiding Teacher within the School/District).

4. **Credential Seeking Candidates.** Any credential seeking USC Student Teacher Candidate shall be required to sit for and pass applicable, state- and subject-specific exams (e.g., CSET, CBEST, etc.) prior to the commencement of his or her assignment as a Student Teacher.

5. **Honorarium.**

   (a) Upon each Student Teacher’s completion of his or her guided learning assignment, USC shall pay, or direct a designated third party to pay, an honorarium of $350.00 directly to each Guiding Teacher for his or her participation in a Student Teacher’s guided learning assignment. The School/District agrees that USC may require Guiding Teachers to submit reasonable documentation to USC prior to USC making payments hereunder.
(b) USC shall comply with any School/District policy requiring that the School/District, and not third parties, make Guiding Teacher payments to Guiding Teachers. In such event, the School/District may require USC to make Guiding Teacher payments to the School/District for distribution by the School/District to Guiding Teachers, provided that the School/District shall first invoice USC for any such payment(s). For the avoidance of doubt, in the event that USC makes Guiding Teacher payments to the School/District in accordance with this Section 5(b), Section 5(a) above shall be deemed stricken from the Agreement with respect thereto.

(c) Should any Guiding Teacher fail to complete his or her assignment hereunder (either due to such teacher’s own circumstances or due to USC’s removal of the teacher as a Guiding Teacher), USC shall pay the corresponding honorarium on a pro rata basis.

(d) USC shall comply with any written School/District policy or procedure contrary to this Section 5, provided that the School/District shall provide any copy/copies thereof upon execution of the Agreement or subsequent adoption thereof.

6. **Use of Video.** USC utilizes video recording throughout its programs, including as an essential element of its instruction methodology. (By way of example only, the State of California requires USC to administer a Teaching Performance Assessment (“TPA”) of its students as part of USC’s teacher preparation program, with a component of that TPA being video that USC must obtain from each Student Teacher and maintain on file with the California Commission on Teacher Credentialing.) As such, any Student Teacher may make video recordings as part of his or her program studies throughout his or her assignment at the School/District. USC shall require Student Teachers to be responsible for obtaining appropriate and signed video release/authorization forms (which USC shall provide to Student Teacher) on behalf of recorded individuals, as appropriate, including obtaining parent/guardian signatures on behalf of recorded individuals who are minors (i.e., under the age of legal competence). The School/District may provide reasonable assistance to Student Teachers in obtaining signatures on such forms.

7. **Performance Data.** Should the School/District hire any teacher Candidate(s), the School/District shall support USC’s program evaluation initiatives by sharing student-level performance data for students he or she teaches to measure teacher efficiency relative to other Master of Arts in Teaching graduates and to other new teachers prepared through other pathways. USC shall keep such data confidential and use it only to facilitate analysis of its effectiveness, and will share its findings with the School/District. This paragraph 7 shall survive the expiration or termination of the Agreement for any reason.

SCHOOL COUNSELING CANDIDATE ADDENDUM
TO THE ROSSIER PLACEMENT AGREEMENT

This School Counseling Candidate Addendum to the School / School District Placement Agreement ("Addendum") is incorporated into and made a part of that certain School / School District Placement Agreement (the "Agreement") executed concurrently with this Addendum (or subsequently on the date indicated below), and is effective as of "Term Commencement Date", as defined in the Agreement. Capitalized terms not otherwise defined in this Addendum shall have the meaning ascribed to them in the Agreement.

1. **Controlling Terms.** The terms of this Addendum modify and supplement the Agreement. Whenever any inconsistency or conflict exists between the Agreement and this Addendum, the terms of this Addendum control and supersede the Agreement. In all other respects, the terms of the Agreement are ratified and confirmed.

2. **Placement Opportunities.** USC shall identify prospective Candidates to the School/District for potential placement within the School/District, including assignment to a school-site supervisor of record. USC shall supply the Candidate’s name, relevant program and background clearance information and type of assignment appropriately matching the prospect’s needs. Notwithstanding the foregoing, the School/District shall at all times have discretion over the maximum number of Candidates it shall accept as School Counselor Students, the length of assignments, and the distribution of assignments.

3. **School-site Supervisor.**

   (a) The School/District shall make recommendations to USC regarding [staff members] whom School/District believes are appropriate to serve as "School-site Supervisors" (defined below). Through the School’s/District’s recommendations, USC’s observations and School/District staff references, USC shall identify counselors and other staff working within the School/District to supervise and prepare School Counselor Candidates during their in-school experiences ("School-site Supervisors").

   (b) Both the School/District and USC shall approve the participation of any staff as a School-site Supervisor, provided that the School/District shall use its best efforts to approve a sufficient quantity of School-site Supervisors necessary to oversee the agreed-upon number of School Counselor Candidates placed within the School/District at any time.

   (c) Should any School-site Supervisor become unable to perform or fulfill his or her duties hereunder, the School/District shall assign an alternative School-site Supervisor to the School Counselor Candidate (excluding a substitute teacher that replaces the original School-site Supervisor within the School/District).

4. **Credential Seeking Candidates.** Any credential seeking USC School Counselor Candidate shall be required to sit for and pass applicable, state-specific exams (for example, in California, the California Basic Educational Skills Test), as applicable in the Candidate’s state of residence, prior to the commencement of his or her assignment as a School Counselor Candidate.

5. **Use of Video.** USC utilizes video recording throughout its programs, including as an essential element of its instruction methodology. As such, any Candidate may make video recordings as part of his or her program studies throughout his or her assignment at the School/District. USC shall require Candidates to be responsible for obtaining appropriate and signed video release/authorization forms (which USC shall provide to Candidate) on behalf of recorded individuals, as appropriate, including obtaining parent/guardian signatures on behalf of recorded individuals who are minors (i.e., under the age of legal competence). The School/District may provide reasonable assistance to Candidates in obtaining signatures on such forms.
6. **Performance Date.** Should the School/District hire any school counselor Candidate(s), the School/District shall support USC's program evaluation initiatives by sharing student-level performance data for students he or she counsels to measure school counselor efficiency relative to other Master of Education in School Counseling graduates and to other new school counselors prepared through other pathways. USC shall keep such data confidential and use it only to facilitate analysis of its effectiveness, and will share its findings with the School/District. This paragraph 6 shall survive the expiration or termination of the Agreement for any reason.

**Rationale:**

Rio del Sol's 6th grade classes will be attending the Catalina Island Marine Institute (CIMI) on 2/13 to 2/15. This will be an overnight field trip with transportation via Bus and Boat. Students will experience hands on science education in a real world setting. Students will have many opportunities to truly practice science in the field and connect what they have learned in the classroom.

The total cost of the trip is $19,700 and this covers students and adult supervisors for the field trip. In addition, transportation from Rio del Sol to CIMI will be $4,000.

The sixth grade level classes will fund raise for 1/3 of the cost for the trip. PTA will fund raise for 1/3 of the cost for the trip and the last 1/3 will funded through site and district budgets.

Students will connect what they have learned about the environment and how we interact with it on Catalina island by exploring marine labs, snorkeling expeditions to see animals in their natural habitats, and work with the biological structures of the area down to a cellular level. They will work on the NGSS standards by exploring real Marine biology and how the life has changed and adapted to live. The students will explore the Catalina environment and ecology as they explore science concepts in the field.

**Goals**  
Goal 4 - Prepare students to be college and career ready through technology and innovation that facilitates collaboration, creativity, critical thinking and communication.

**Public Content**

**Speaker:** Jarkko Mylari

**Rationale:** At Rio Plaza teachers have been using TVs with casting devices as their display technology in the classroom. This is both technically and pedagogically different situation than on the other sites. TVs don't have a computer embedded in them, nor do they allow touch-use or remote management. They also require purchasing and maintenance of independent casting devices to allow mirroring teacher or student device screens. To integrate these technologies in a single device and to overcome management challenges, staff recommends purchasing interactive screens to Rio Plaza. The one panel with the new Windows computer module is for testing the device to inform the future decisions about device replacements.
