III. **TA Prep**

- Make sure you are able to log in to the Test Administration Interface, and understand how to turn off the pop-up blocker.
- Look through the Directions for Administration (DFA). Mark the pages in your script, and any other information that you feel is important.
- Access the practice test for your grade level. How could you use it to help prepare your students for the SBAC?
- Print your SBAC student cards on EADMS. Cut them up and place them in the bag in your folder. Make sure to pull out your RSP students if small group setting is designated by IEP.

IV. **Next Steps**
