

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Rio School District

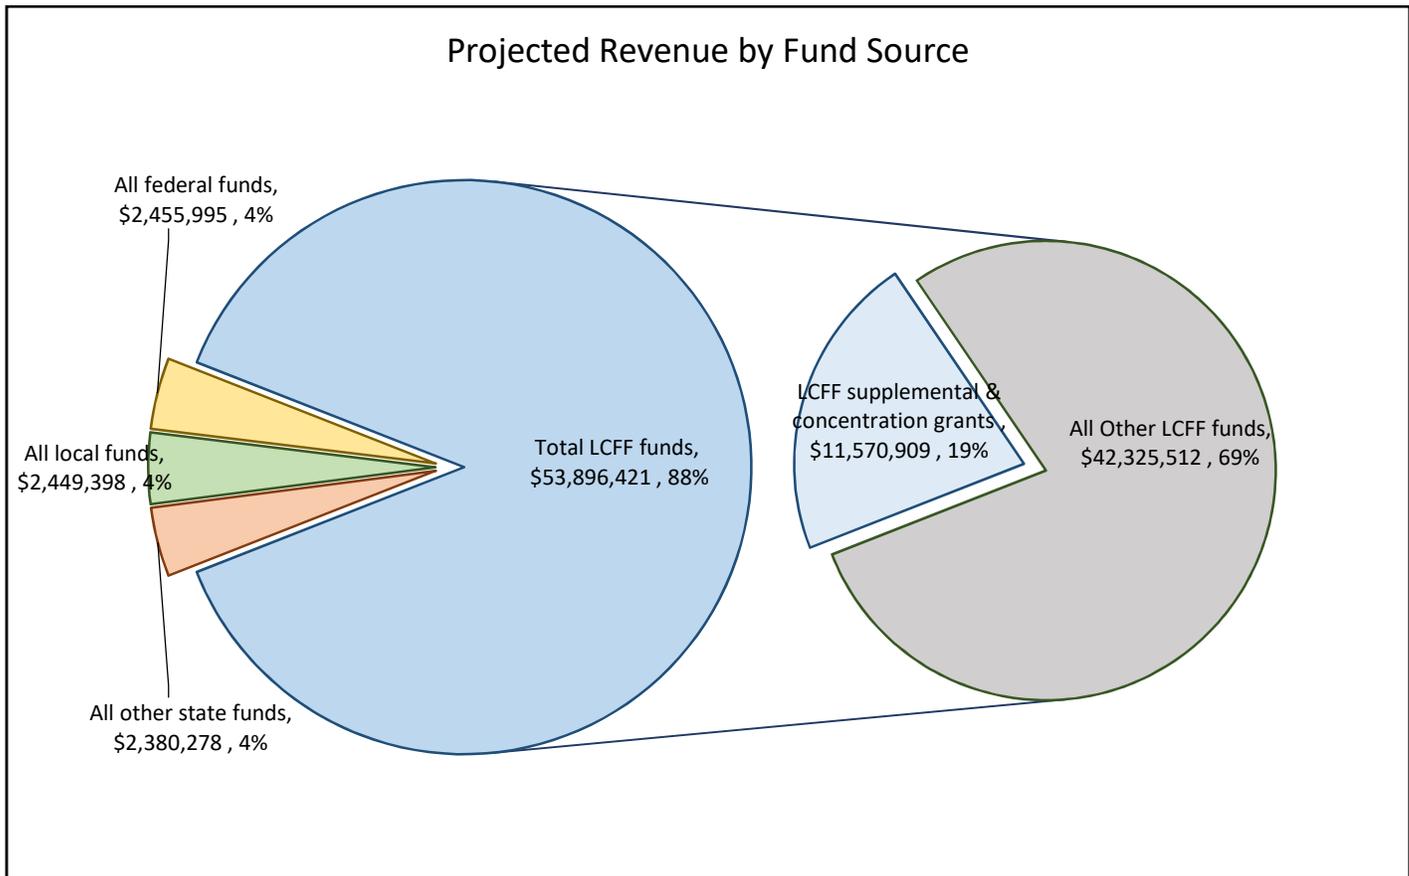

CDS Code: 56-72561

Local Control and Accountability Plan (LCAP) Year: 2019-20

LEA contact information: Oscar Hernandez

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2019-20 LCAP Year

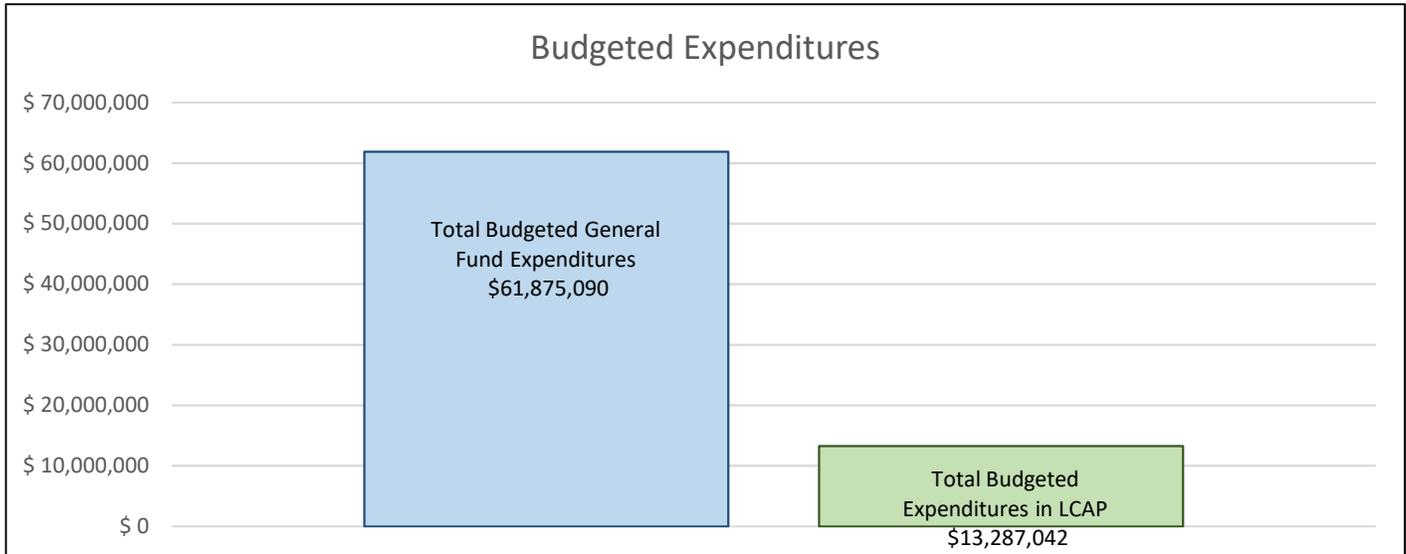

This chart shows the total general purpose revenue Rio School District expects to receive in the coming year from all sources.

The total revenue projected for Rio School District is \$61,182,092.00, of which \$53,896,421.00 is Local Control Funding Formula (LCFF), \$2,380,278.00 is other state funds, \$2,449,398.00 is local funds, and \$2,455,995.00 is federal funds. Of the \$53,896,421.00 in LCFF Funds, \$11,570,909.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Rio School District plans to spend for 2019-20. It shows how much of the total is tied to planned actions and services in the LCAP.

Rio School District plans to spend \$61,875,090.00 for the 2019-20 school year. Of that amount, \$13,287,042.00 is tied to actions/services in the LCAP and \$48,588,048.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

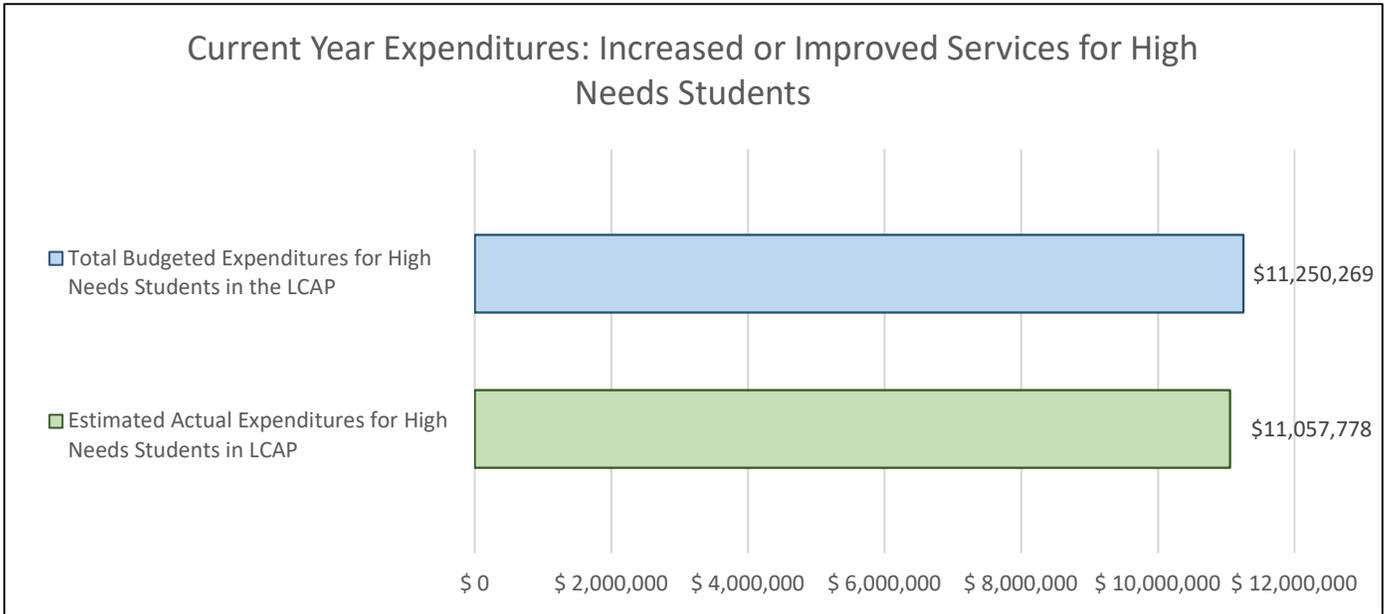

Basic and core services for education. Teachers, administration, classified support salaries and benefits. Facilities, utilities, legal services, textbooks, and instructional supplies.

Increased or Improved Services for High Needs Students in 2019-20

In 2019-20, Rio School District is projecting it will receive \$11,570,909.00 based on the enrollment of foster youth, English learner, and low-income students. Rio School District must demonstrate the planned actions and services will increase or improve services for high needs students compared to the services all students receive in proportion to the increased funding it receives for high needs students. In the LCAP, Rio School District plans to spend \$11,635,704.00 on actions to meet this requirement.

Update on Increased or Improved Services for High Needs Students in 2018-19

This chart compares what Rio School District budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Rio School District estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2018-19, Rio School District's LCAP budgeted \$11,250,268.60 for planned actions to increase or improve services for high needs students. Rio School District estimates that it will actually spend \$11,057,778.00 for actions to increase or improve services for high needs students in 2018-19. The difference between the budgeted and actual expenditures of \$192,490.60 had the following impact on Rio School District's ability to increase or improve services for high needs students:

Based on the California Dashboard, the area of Rio School District students that were impacted are students with IEPs. Discrepancies on expenditures do not have a direct impact on this particular group.
