**Rationale:**
To meet cash flow needs during the year, it may be necessary to temporarily transfer cash from one fund to another in order to meet cash flow obligations of the district. Separate approvals for this action are required for each fiscal year.

RIO SCHOOL DISTRICT  
RESOLUTION NO. 19/20-03  

TEMPORARY LOANS BETWEEN DISTRICT FUNDS FOR  
FISCAL YEAR 2019/2020  

WHEREAS, pursuant to Education Code section 42603, the governing board of any school district may direct that moneys held in any fund or account may be temporarily transferred to another fund or account of the district for payment of obligations. The transfer shall be accounted for as temporary borrowing between funds or accounts and shall not be available for appropriation or be considered income to the borrowing fund or account. Amounts transferred shall be repaid either the same fiscal year, or in the following fiscal year if the transfer takes place within the final 120 calendar days of a fiscal year. Borrowing shall occur only when the fund or account receiving the money will earn sufficient income, during the current fiscal year, to repay the amount transferred. No more than 75 percent of the maximum of moneys held in any fund or account during a current fiscal year may be transferred.

WHEREAS, when there are insufficient funds to meet district obligations in the fund, and:

WHEREAS, funds can be temporarily transferred from one or more funds to another fund of the district to be used for the payment of district obligations, and:

WHEREAS, repayment of the temporary loan will be made from income received, and:

THEREFORE, BE IT RESOLVED that the Board of Education of the Rio School District authorizes the temporary transfer of cash from one direct fund to another in order to meet the financial obligations of the District as the need may arise during the 2019/2020 fiscal year.

**Rationale:**

Districts use Blanket Resolutions to expedite certain transactions. A blanket resolution approved by the Board authorizes advance approval of certain documents, allowing transactions to be input to the financial system in a more timely fashion. However, the information would still be provided to the Board for ratification. Blanket resolutions can be used for budget transfers and temporary loans between funds.

Attached for approval and adoption is Resolution 19/20-02 covering appropriation transfers.

Meeting: Jun 26, 2019 - RSD Regular Board Meeting

Category: 10. Consent

Subject: 10.38 Approval of Proposal from BC Rincon for asphalt work at four school sites.

Access: Public

Type: Action (Consent)

Fiscal Impact: Yes

Dollar Amount: 39,124.50

Budgeted: Yes

Budget Source: Measure L

Recommended Action: It is recommended that the Board approve the asphalt work to be done at Rio Real and Rio Plaza.

**Public Content**

Speaker:
Charlie Fichtner, Director, MOT
Wael Saleh, Assistant Superintendent, Business Services

Rationale:
There are four school sites that are in need of asphalt repairs this summer. The repairs are crack fill, slurry coat and restripe. The sites are Rio Real play area, Rio Del Norte parking lot, Rio Lindo play area and Rio Plaza parking lot. Three quotes were requested and two were received from different contractors who were on the pre-approval list. The lowest of the two quotes received was BC Rincon. Danmar Construction would need to sub out the work which would be an additional cost to the district. Quality Paving has declined because they are over booked for the summer.

Rio Real: Fill cracks and seal: $11,815.80
Rio Plaza: Fill cracks, seal, and restripe: $10,888.45
Rio Lindo: Fill cracks, seal and restripe: $10,327.25
Rio Del Norte: Clean, Seal and restripe: $6,093.00

Total: $39,124.50

Speaker:
Charlie Fichtner, Director, MOT

Rationale:
The MOT department uses many vendors in support of their work. For vendors who are used on a regular basis, it is more efficient for district operation to obtain an authorization to spend up to a certain dollar amount. This allows the MOT staff to purchase the parts they need to complete their assigned tasks.

Attached is a list of vendors and estimated amounts for 2019/2020.

Category: 10. Consent
Subject: 10.40 Grounds Replacement Equipment
Access: Public
Type: Action (Consent)
Fiscal Impact: Yes
Dollar Amount: $94,014.03
Budgeted: Yes
Budget Source: Maintenance
Recommended Action: It is recommended that the Board approve the Grounds Department Purchase to replace old equipment

Public Content

Speaker:
Charlies Fichtner, Director, MOT
Wael Saleh, Assistant Superintendent, Business Services

Rationale:
The grounds department needs to purchase new equipment for their mowing fleet. The existing mower will be dedicated for use at Rio Del Sol due to annual emissions restrictions from the California Air Resource Board (CARB). The regulation for in-use off road diesel fueled fleets (Off Road Regulation) beginning January 1, 2020 limits its usage to 200 hours per year. The exclusive use of this mower at Rio Del Sol will also prevent cross contamination of grass at Rio Del Sol. The current mower is 15 years old and can perform for many more years having it dedicated to one site. The new mowers will be used at all other sites. They can be used to team up on one site or split up to use at separate sites as needed. The trailers will be used to transport the mowers. Trailer-ed mowers will have less wear and breakage when compared to self-driven ones on the road ways. The new equipment is necessary for the crew to keep up with the maintenance demands at our sites. Our team will take over landscaping duties at Rio Del Sol beginning August 1, 2019.

Diesel Mower: $83,105.42
Trailer w/14" sides (2) $10,908.61

The attached bell schedules align with the approved Student Calendar for 2019-20, with the MOU on reallocation of minutes between the District and RTA (Professional Learning Time Model) and with the all-day Kindergarten requirements. These bell schedules provide the following daily:

a. 260 instructional minutes daily in Kindergarten (through October 31, 2019); 307 instructional minutes (beginning November 4); 230 minutes on minimum days (beginning November 4);
b. 307 instructional minutes in grades 1-3; 230 minutes on minimum days;
c. 323 Instructional minutes in grades 4-5; 240 minutes on minimum days;
d. 336 instructional minutes in grades 6-8; 240 minutes on minimum days;
School start and end times are staggered in order to provide transportation services cost effectively. Bell schedules may be brought back in subsequent months for any adjustments necessary to recess or lunch times.
