Learning Continuity Plan (LCP)

**August 19, 2020
6:00 p.m.**

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process.

The Learning Continuity Plan is a key part of the overall budget package for K-12 that seeks to address funding stability for schools while providing information at the LEA level for how student learning continuity will be addressed in light of the COVID-19 crisis in the 2020–21 school year. The provisions for the plan were approved by the Governor and Legislature in June in SB 98 and can be found in EC Section 43509.

The Learning Continuity Plan is intended to balance the needs of all stakeholders, including educators, parents, students and community members, while streamlining engagement and condensing several preexisting plans. In particular, it was important to combine (1) the intent behind Executive Order N-56-20, published in April 2020, which envisioned an off cycle Local Control and Accountability Plan (LCAP) due December 15th, and (2) the ongoing need for LEAs to formally plan to return to school in the midst of uncertainty caused by COVID-19, without requiring two plans. The Learning Continuity Plan replaces the LCAP for the 2020–21 school year.

The public hearing will be held during a Governing Board meeting of the Rio School District to be held on Wednesday, August 19, 2020, at 6:00 p.m. virtually.
