Executive Content
The Board of Trustees recognizes the complex legal environment in which districts operate and desires reliable, high-quality legal advice at reasonable rates. In order to meet the district's legal needs, the Board may contract with county counsel, attorneys in private practice, or appoint legal counsel as a district employee or independent contractor. The Board also supports pursuing collaborative legal efforts with other agencies and districts as appropriate.

(cf. 3320 - Claims and Actions Against the District)
(cf. 3400 - Management of District Assets/Accounts)
(cf. 4312.1 - Contracts)
(cf. 9000 - Role of the Board)
(cf. 9260 - Legal Protection)

Duties of Legal Counsel

The district's legal counsel may:  (Education Code 35041.5)

1. Render legal advice to the Board and the Superintendent or designee

2. Serve the Board and the Superintendent or designee in the preparation and conduct of district litigation and administrative proceedings

3. Render advice on school bond and tax increase measures and prepare the necessary forms for the voting of these measures

4. Perform other administrative duties as assigned by the Board and Superintendent or designee

Retaining Legal Counsel

When the district is seeking legal advice or representation, the Superintendent or designee shall initiate a Request for Proposals (RFP) to advertise and solicit proposals for legal services. In evaluating the proposals, the Board and Superintendent shall consider the firm's or attorney's background, experience, and reputation in education law; experience advising or representing school districts in California; fees; and experience of attorneys at the firm who will provide legal services.

The Board and Superintendent shall annually evaluate the performance of the firm and/or
attorneys providing legal services in such areas as efficiency and adequacy of advice; results obtained for the district; reasonableness of fees; and responsiveness to and interactions with the Board, administration, and community. Upon a successful evaluation, the Board may renew the agreement with legal counsel without initiating an RFP.

The Board may also contract for temporary, specialized legal services without initiating an RFP when a majority of the Board determines that the unique demands of a particular issue or emergency situation so requires. (cf. 2121 - Superintendent's Contract)

Contacting Legal Counsel

At his/her discretion, the Board president or Superintendent may confer with district legal counsel subject to any limits or parameters established by the Board. In addition, the Superintendent or Board president may contact district legal counsel to provide the Board with legal information or advice when so directed by a majority of the Board.

Individual Board members other than the Board president may not seek advice from district legal counsel on matters of district business unless so authorized by a majority of the Board.

Rationale:

Education Code Section 1240(c)(2)(C) requires that the County Superintendent report the results of any Williams Lawsuit Settlement visits, on a quarterly basis, to the Governing Board of districts with schools ranked in deciles 1 to 3 of the 2012 Academic Performance Index.

The purpose of the visit is to ensure that all students have access to sufficient textbooks or instructional materials, to assess the condition of the facilities and identify any emergency or urgent threats to the health or safety of pupils or staff, and to determine if the school has provided accurate data for the annual school accountability report card (SARC) related to instructional materials and facilities conditions.

Subject: 2020-21 Quarter 2 - Williams COE Activity Report

Education Code Section 1240(c)(2)(C) requires that the County Superintendent report the results of any Williams Lawsuit Settlement visits, on a quarterly basis, to the Governing Board of districts with deciles 1 to 3 schools. The attached report should be presented to the Governing Board of your District at a regularly scheduled meeting held in accordance with public notification requirements.

The attached report reflects our Williams related visits and activities completed during Quarter 2 of the fiscal year 2020-21. In summary, we are continuing the annual review of teacher assignments and vacancies in deciles 1 to 3 schools as required under Education Code Section 44258.9. The findings of that review will be available sometime prior to July 1, 2021 and reported in the annual Williams Report. In addition, this quarterly report does not comment on our review of the annual school accountability report cards. That review will conclude later in the school year and will be reported on at that time.

If you have any questions or comments about the Williams Settlement or the attached report, please contact me at 805-383-1981.

Attachment
California Education Code Section 1240 requires that the County Superintendent annually visit the 54 schools in Ventura County that were ranked in deciles 1 to 3 of the 2012 Academic Performance Index. The purpose of the visit is to ensure that all students have access to sufficient textbooks or instructional materials, to assess the condition of the facilities and identify any emergency or urgent threats to the health or safety of pupils or staff, and to determine if the school has provided accurate data for the annual school accountability report card (SARC) related to instructional materials and facilities conditions.

During the first four weeks of the 2020-21 school year, County Office of Education inspectors visited all “Williams” schools to determine if sufficient textbooks or instructional materials were available, and to assess the condition of school facilities. The findings of these visits were summarized on the Quarter 1 Activity Report for your District issued in November of 2020.

While much of the specific Williams related activities occur during the Quarter 1, several activities take place throughout the fiscal year. These activities include:

The annual review of teacher assignments and vacancies in deciles 1 to 3 schools, as required by Education Code Section 44258.

The annual review of the prior fiscal year audit reports to identify any audit findings relating to Williams issues and determine how those findings will be corrected.

The annual review of each school’s school accountability report card to verify that known Williams related issues are correctly reported.

The results of these reviews will be published in our annual Williams report in November of 2021.

If you have any questions about the Williams Settlement process or the information contained in this Quarter 2 Activity Report for your District, please call Danni Brook, Executive Director of School Business Advisory Services, at 805-383-1981.

Title I School-Level Parent and Family Engagement Policy

January 9, 2021

With approval from the local governing board, Rio Del Sol STEAM School has jointly developed with, and distributed to, parents and family members of participating children a written parent and family engagement policy, agreed upon by such parents, and updated periodically to meet the changing needs of parents and the school. (EC Section 11503; 20 United States Code [U.S.C.] Section [§] 6318[b][1-4]).

**Rio Del Sol School** develops a written Title I parental involvement policy with input from Title I parents.
- Parents are given the opportunity to provide input during the following meetings with teachers and administration: School Site Council, ELAC, PTA and Coffee with the Principal.
- Parent/Guardian feedback is also obtained through: YouthTruth and ThoughtExchange Surveys.

**Rio Del Sol School** distributes the policy to parents of Title I students:
- At our Annual Title I Meeting at the beginning of every school year.
- On our school website
- In our Parent/Student handbook
- At School Site Council, ELAC and Coffee with the Principal meetings.

**Involvement of Parents in the Title I Program**

The policy describes the means for carrying out Title I parent and family engagement requirements. (20 U.S.C. § 6318[b][1])

To involve parents and family members in the Title I program at **Rio Del Sol School**, the following practices have been established:
a) **The school** convenes an annual meeting, at a convenient time, to which all parents of participating children shall be invited to attend and encouraged to attend, to inform parents and family members of their school’s participation in the Title I program and to explain the requirements, and the right of the parents to be involved. (20 U.S.C. § 6318[c][1])

**Rio Del Sol School holds an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program.**

- An annual Title I meeting is held within the first trimester of each year.
- Parents are reminded of the meeting through a telephone message to the home, our parent communication platform (ParentSquare), the monthly calendar and via school newsletter.
- The annual Title I meeting may be held in conjunction with another regularly scheduled parent meeting such as Back to School Night, Coffee with the Principal etc.

b) **The school offers a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parental involvement.** (20 U.S.C. § 6318[c][2])
