Rio School District
 Intra-district Transfer Procedures
 2021-2022

Open Enrollment/Intra-district

1. No student currently residing within a school’s attendance area shall be displaced by an Intra-district transfer student (EC 35160.5)
2. **All students making a first request for an Intra-district transfer must first enroll at their school of residence.** Once enrolled, parent/legal guardian may apply for an Intra-district transfer. Parents/legal guardians are required to fill out an application form to indicate that they wish to transfer their student to another school and return the form to the **District Office located at 1800 Solar Drive 3rd Floor, Oxnard before 4:30 p.m. on Friday, April 3rd, 2020.** Continuing Intra-district transfer students will be considered before new applicants.
3. **Rio Real’s Dual Immersion program will accept transfer request based on acceptance into the Dual Immersion program. Applicants should contact the site administrator for program specifics at (805) 485-3117.**
4. Priority will be given to students whose parent/legal guardian is assigned to that school as his or her primary place of employment.
5. **All students who submit applications to the District no later than 4:30 p.m. on Friday, April 3rd, 2020 shall be considered** for admission to their school of request the following school year under the District’s Open Enrollment/Intra-district Policy. Applications received after the deadline may be considered if further openings exist.
6. If the Intra-district transfer applicant pool exceeds available space in a school of choice, approval shall be determined by lottery from the eligible applicant pools, and a waiting list shall be established to indicate the order in which students may be accepted. Late applicants may be added to the waiting list in the order in which they apply.
7. Applicants will be informed by mail as to whether their applications have been approved, denied or placed on a waiting list. If the application is denied, the reasons for denial shall be stated.
8. Applicants that are approved are approved with the condition that the Intra-district transfer student may be displaced to their school of residence if an incoming resident student enrolls and no space is available.
9. Except as required by 20 USC 6316, for transfers out of Title I program improvement schools, the District shall not be obligated to provide transportation for students who attend outside their attendance area. However, upon request, the Superintendent or designee may authorize transportation contingent upon available space and funds. Priority for any such transportation shall be based on demonstrated financial need.
10. An Intra-district transfer may be revoked at any time by the district for the following reasons: 1.) Student is excessively tardy or absent from school, or student is brought to school excessively tardy or picked-up excessively early, 2.) Student fails to uphold appropriate behavior standards, 3.) student fails to make appropriate academic efforts, 4.) False or misleading information was provided on the Intra-district transfer and/or accompanying documentation, and 5.) Other conditions that occur that would render continuance inadvisable.
