## 1 Introduction

### A. Welcome!

This handbook is intended to be used by students, parents and staff as a guide to the rules, regulations, and general information about our school. Each student is responsible for becoming familiar with the handbook and knowing the information contained in it. Parents are encouraged to use this handbook as a resource and to assist their child in following the rules contained in this handbook.

Although the information found in this handbook is detailed and specific on many topics, the handbook is not intended to be all encompassing to cover every situation and circumstance that may arise during any school day, or school year. This handbook does not create a “contract.” The administration reserves the right to make decisions and make rule revisions at any time to implement the educational program and to assure the well being of all students. The administration will be responsible for interpreting the rules contained in the handbook. Should a situation or circumstance arise that is not specifically covered in this handbook, the administration will decide based upon all applicable School District policies, State and Federal statutes and regulations, and the Parents Rights and Responsibilities Annual Notice.

### B. Preschool Program

The Rio School District offers an academic preschool program at most of its elementary schools. The district is partners with the Ventura County Office of Education, the Rio Neighborhoods for Learning, Child Development Resources and Child Development Inc. to provide this program for children ages 3-5 who meet eligibility criteria.

### C. School Climate and Environment

The Rio School District believes that all students should be provided a foundation where every student feels valued and valuable, safe and respected, and socially and emotionally happy and healthy. RSD accomplishes this in the adoption of the “40 Developmental Assets” which acts as the framework for a positive school environment that the entire community can participate in. A discipline philosophy is also included to encourage consistent and clear expectations of students. “Judicious Discipline” is a philosophy for classroom management and school discipline. It is a citizen approach that teaches students about their rights and responsibilities for living and learning in a democratic society. School sites, teachers and staff are encouraged to utilize a Positive Behavior Support approach working with students in a variety of situations. This approach helps to encourage adults working with students to find alternative solutions to student issues. All of which is practiced through character education curriculums that teach RSD students tolerance and problem-solving skills.

## 2 Closed Campus Policy

Our school is a closed campus. Students are expected to remain on campus from the time they arrive in the morning until they are dismissed in the afternoon. Parents, guardians, or siblings (who do not

attend Rio del Mar) may walk a student onto campus prior to the start of school but must leave campus at the first warning bell. Students and parents are expected to gather on the playground or in the cafeteria (if the student is eating breakfast) before school and are not allowed in the classroom areas.

#### A. The School Day

Students are permitted on campus beginning at 7:45 a.m. and are to leave promptly after school unless participating in a school sponsored activity.

#### B. Leaving the Campus

Students who need to leave the campus for any reason prior to the end of the school day must be signed out through the office by a parent, guardian, or emergency contact person (who must be 18 years of age or older) with the parent/guardian permission.

Kindergarten, first, and second grade students must be picked up from their teachers at the end of the school day by an adult or older sibling designated on the student's emergency card. First and second grade students will only be released to an authorized adult or older sibling (18 years or older) as designated on the student's emergency card. Students in grade 3-5 are released from the classroom to meet up with authorized adults or younger siblings or walk home independently.

NOTE: A student will NOT be released to any person who is not authorized as indicated on the student's emergency card. Names on the emergency card may ONLY be added or deleted in person by the parent or guardian at the school office with proof of ID.

Students must be picked up within 10 minutes of the end of the school day. Students who are not picked up on time will be taken to the office and must be checked out from there. Students who remain at the school for more than 2 hours after the end of the day, or that are chronically picked up late, may be turned over to the Ventura County Sheriff's Department or Child Protective Services, for their safety and returned to the appropriate authorized parent, guardian, or another adult as indicated on the student's emergency card.

#### C. Returning to School

Students returning to the school must check into the office to get a pass to return to class.

#### D. Visitors

The Rio School District encourages visits to the schools and programs operated by the Rio School District by parents/guardians, members of the community, and other interested persons to view the educational program and facilities and to offer constructive comments.

Classroom visits by members of the community and other interested persons should be arranged in advance with the teacher, principal, or principal designee in charge. Approval or denial is based upon whether there is a reasonable basis to conclude that the visit will interfere with school activities. Visitors may be accompanied by the principal or principal designee at all times while they are on campus when students are present. In all cases, responsible adult behavior shall be required of all visitors. Visitors who pose a threat to the health and safety of students, teachers, or other personnel or who otherwise disrupt the normal operations of the school shall be removed.

Parents must adhere to a code of conduct while on school property. Education code states the following: No disruptions of school activities or verbal/physical assaults will be tolerated by visitors on campus. (*E.C. 44810 and 44811*).

Visitors must have permission from the office to be on campus. Visitors must be 18 years or older and be an authorized adult as determined by the school site administration and sign “in” and “out” at the office. A visitor’s badge will be provided to wear while on campus and must always be visible. Students’ friends or relatives may not attend classes with the student without prior approval from the office.

Administration has the authority to direct non-students to leave campus. No outsider shall enter or remain on school grounds during school hours without having registered with the school office, principal or designee, except to proceed expeditiously to the school office to register.

Parents/Guardians who have a complaint regarding a situation with their child or situation on campus are requested to schedule an appointment directly with the individual involved to work to a resolution regarding the situation. If after meeting with the individual, and no resolution is reached, the parent is encouraged to schedule an appointment with the Principal.

#### E. Child Custody

In most cases, when parents are divorced, both parents retain parental rights. If you have a Court Order that limits the rights of one parent in matters such as custody or visitation, please bring a copy to the office. Unless your Court Order is on file with us, we must provide the rights that the law allows to parents concerning records, visitation and information about the child.

#### F. School Phones

School phones are extremely busy and we only allow students to call home in case of an emergency. Whenever possible, avoid leaving phone messages for your children at school. It is difficult to ensure that they will receive the message. Parents and children are encouraged to make pick-up and after-school arrangements at home.

#### G. Electronic Recording Devices

Electronic listening or recording devices may not be used by students or visitors on school property without express consent by the principal.

#### H. Tobacco-free and Drug-free Campus

All Rio School District schools and property are Tobacco free zones. Therefore, the use of tobacco including chewing tobacco, cigarettes, e-cigarettes, hookahs and any other vapor emitting devices is prohibited on school grounds, including personal vehicles parked on school property.

We are a drug-free campus. Students who are required to take physician prescribed medications during the regular school day may be assisted by the school nurse or other designated school personnel if the procedures listed in Section 7A are followed.

### 3 School Policies

#### A. Dress Code

The Board of Trustees believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Student's clothing must not present a health or safety hazard or a distraction which would interfere with the educational process (BP5132(a)).

- Clothing, jewelry and personal items (backpacks, gym bags, water bottles, etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane or sexually suggestive, which bear drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice.
- Hats, caps and other head coverings shall not be worn indoors. Each school shall allow students to wear sun-protective clothing, including but not limited to hats, for outdoor use during the school day (Education Code 35183.5).
- Clothes shall always be sufficient to conceal undergarments. See-through or fishnet fabrics, halter tops, off-the-shoulder or low-cut tops, bare midriffs and skirts or shorts shorter than mid-thigh are prohibited.
- Shoes must always be worn. Sandals must have heel straps. Flip-flops, backless shoes or sandals without straps, or slippers are not acceptable (For safety reasons, shoes with embedded wheels (Heelys) may only be worn with the wheels removed).

The school site may establish reasonable dress and grooming regulations for times when students are engaged in extracurricular or other special school activities. Parents volunteering for or attending extracurricular activities must follow the school dress code or forgo volunteering or attending.

#### B. Personal Property

Children are not to bring toys, games, electronic devices, or other personal items to school without teacher permission. Upon arrival to school and through dismissal, cell phones should be turned off and not used for text messaging, taking pictures or direct-connect two-way communication unless the use is directed or expressly permitted by a school official. The school is not responsible for lost, stolen or broken personal items. Please label outerwear and backpacks with student's name.

#### C. Gum and Food

Gum is not allowed on campus. Food is allowed in designated areas only. Food brought from the outside for classroom celebrations must be "store bought" in the original sealed package from the store or manufacturer. Any package which has been opened for any reason is not allowed for health safety reasons.

#### D. Student Meals

Student meals are provided at a reasonable cost and may be paid for in advance through our office or online through our district portal. Usernames and password for the user portal may be obtained from our front office staff.

#### E. Lost and Found

We keep a Lost and Found box during the year. If your child loses something, he/she is free to look for it there. Unclaimed items will be disposed monthly.

### 4 Attendance and Absences

Regular attendance plays a key role in the success a student achieves in school. The first step to success in school is getting there. It is an obligation of student, parent and school authorities to insist upon good attendance. Excused absences include:

- a. Illness
- b. Doctor/Dental appointments
- c. Death in the immediate family
- d. Quarantine

A written note from the parent on the day the child returns is necessary, unless a phone call to the school is made by the parent explaining the reason for absence. *Excessive absences may result in referral to the School Attendance Review Board.*

#### A. Tardiness

If a child arrives late to school, he/she must stop by the Office for a pass to class. If a student leaves early they must be checked out of school at the office by an authorized adult with parent permission. Arriving late or leaving early is recorded as a tardy for attendance purposes. Please remember,

tardiness results in loss of instruction time. More than 3 tardies per year are considered excessive. Excessive tardiness may result in the referral to the School Attendance Review Board.

#### B. Withdraw from Attendance

The school should be notified by the parent in advance of a student withdrawing from attendance. Parents need to indicate where they are moving and the address of the new school, if possible. Your child's records and report card will be sent to the new school upon request from the new school's office. Please return all books and school materials prior to moving.

#### C. Independent Study (BP 6158 and AR 6158)

Planning family vacations during the school year is discouraged. If a student is to be absent for five or more days for reasons other than illness or emergencies, arrangements should be made with the office for an Independent Study Contract five days prior to the scheduled leave. Parents/guardians who are interested in independent study should contact the principal or designee prior to the scheduled leave to verify eligibility. Independent Study Contracts are void if the student does not return to school on the scheduled date. This will result in unexcused absences for the duration of the Independent Study Contract period. Upon return to school, student work should be turned in immediately to receive credit. It is the student's responsibility to check-in with teachers upon return to school for any additional work missed.

### 5 Emergency Information

Emergency cards are kept on file for all students with important information in cases of student illness, accident or other emergency. Please return the emergency card to the office as soon as possible. New emergency cards must be completed each school year and signed by the parent/guardian. If student information should change throughout the year, it is the parent's responsibility to inform the office. You must have contact phone numbers on the back of the emergency card. These should not be the same as the home number on the front of the card. NOTE: Only those persons designated on the emergency card may sign out students. Verbal authorization by a parent for an individual who is not listed on the emergency card to pick up a student is not permitted and will not be allowed. Changes to emergency cards must be made in person. It is wise to add as many trusted individuals as possible as additional contacts on your emergency card to provide you with options in the case of an emergency.

### 6 Student Accident Insurance

Accident insurance is available to students at a reasonable price. Specific information regarding the plan will be supplied during registration and the first week of school. Parents are encouraged to purchase this insurance as the school accepts no financial responsibility for accidents occurring on school grounds.

### 7 Health

When your child is ill the evening before or the day of school, please keep your child home. Children who run a fever, vomit, experience diarrhea, coughing, sore throat or other cold/flu related symptoms are not ready for a rigorous day of school. They need at least 24 hours of rest once symptoms subside before returning to school. If you would like to pick up your child's homework, please notify the school office in the morning.

#### A. Medication

It is desirable for medication to be administered at home. However, we recognize that some students can attend school regularly because of the effective use of medication in the treatment of chronic disabilities or illness. It is also recognized that in many short-term illnesses, medication may need to be continued after a student returns to school. To accommodate this, we need:

1. All medicine or drugs in its original container.
2. A written physician's order and parental consent form: "Authorization for Any Medication Taken during School Hours" District Form, which includes the medication name, reason for medication, dosage, schedule, anticipated number of days to be administered, and side effects of the medication.
3. Students may not carry any medication with them on campus including over-the-counter medication or asthma pumps.

#### B. Returning to School after an Injury or Serious Illness

When a child is injured on or off campus and returns to school with a cast, crutches, splints, etc., he/she needs a doctor's clearance. This clearance should include any physical limitations or special instructions (e.g. No PE for a week). Without a written medical clearance, the child will be excluded from school. This is done for the protection of your child as well as for the safety of others.

### 8 Supervision and Safety

#### A. Yard Supervision

We provide daily yard duty supervision beginning at 7:45 a.m. Teachers and Campus Supervision Assistants supervise students during morning and afternoon recesses and at lunch. There is no yard supervision after school. Parents need to pick up their children promptly at the end of their school day.

#### B. Parking Lot

Parking is very limited. Please remember to drop off and pick up students in the safest manner possible. Drive cautiously and watch for students at all times. The handicap area is for those who have handicap parking permits ONLY. Remember do not block parked cars. Adhere to the designated no parking red zones, speed limits and crosswalks. Please pull to the curb in the drop off zone before having your children exit your vehicle. This will prevent students from crossing traffic and assure a safe exit from the vehicle.

## 9 Communication

### A. Back to School Night

All parents are encouraged to attend the annual Back-To-School Night. Teachers will provide valuable information regarding academic expectations for the school year. Back to School Night is a minimum day.

### B. Calendars and Newsletters

Monthly calendars/newsletters are sent home at the beginning of each month. Food service menus are available through our website. Please post these at home for reference.

### C. Parent-Teacher Conferences

Parent-Teacher conference dates are listed on your Yearly School Calendar. Your child's teacher will schedule a time for you. Our goal is to work together with you to provide the best education possible for your child. We hope to see you at conferences, as well as at other school activities this year.

### D. Technology

The Rio del Mar website hosts pages of information regarding events and activities happening at school. Additionally, we host a Twitter page and other informational sites with links found on the website. The marquee at the front of the school also displays upcoming events. In order to get important information to you quickly, we will use an automated phone calling system. Please make sure to keep your telephone number up to date to receive information.

## 10 Academics

### A. Homework

The Rio Elementary School District Board Policy BP6154 states that the Board:

- Recognizes that homework contributes toward building responsibility, self-discipline, and life-long learning habits.
- Recognizes that the time spent on homework directly influences student's ability to meet the District academic standards.
- Expects students, parents/guardians, and staff to view homework as a routine and an important part of students' daily lives

Recommended Amount of Time:

Homework assignments will vary in length and difficulty per the individual student. In addition to doing homework assignments, all students are expected to read nightly for a minimum of:

- Kindergarten – 1<sup>st</sup> Grade: 20 minutes
- 2<sup>nd</sup> – 3<sup>rd</sup> Grade: 30 minutes
- 4<sup>th</sup> – 8<sup>th</sup> Grade: 40 minutes

Nature and Purpose of Homework:

- Promotes independence and responsibility.

- Provides additional practice/reinforcement of fundamentals.
- Allows for completion of unfinished class work or assignments missed during absences.
- Supports and encourages consistent daily reading.
- May include research/projects in assigned subject areas for which there is insufficient time in class.
- Keeps parents informed of current learning in class.

#### Principal's Responsibility:

- Principal will send these Homework Guidelines home to all parents in time for parents to read them prior to attending Back to School Night.

#### Teacher's Responsibilities:

- Teacher will communicate homework procedures and expectations to all parents at the beginning of school each year (i.e., Back to School Night, introductory letter).
- Teacher will clarify at the beginning of the school year whether parents are to review and/or assist in correcting homework before it is turned in.
- Teacher generally will assign homework four days a week. These assignments should not require that the homework be completed over weekends or holidays.
- Teacher will assign homework that is commensurate with student's abilities so that the homework assignments are neither too challenging nor not challenging enough and can be completed independently.
- Homework copies will be legible, and directions will be clear and understandable to student and/or parent.
- Homework will be meaningful and relevant to class work.
- Teacher will help parents understand the objectives of the school curriculum at Back to School Night and parent conferences and through student progress reports.
- Homework will be checked or corrected and returned to student in class or sent home. Teacher will review with student homework corrections/comments, if necessary.
- Teacher will notify parents when student repeatedly fails to turn in homework on time.
- Teacher will guide students and parents to available homework support services, as needed.

#### Student's Responsibilities:

- Student is expected to complete assigned homework independently and on time.
- Student is expected to turn in neat and legible homework.
- Student will ask teacher for clarification if homework assignment is not clear.
- Student is encouraged to talk with teacher if homework assignments are too difficult or too easy.
- Student is expected to show parents any checked or corrected homework returned by the teacher.

#### Parents' Responsibilities:

- Parents are expected to provide a regular study and/or reading time in a suitable setting with appropriate materials.
- Parents are encouraged to offer guidance but avoid doing the assignment for the child.
- Parents are encouraged to provide a balance between homework and the child's free time. If a child consistently does not complete assignments within the recommended time frame (homework is too challenging/not challenging enough), parents should contact the teacher.

- Parents are expected to understand the objectives of the school curriculum and the relationship of the homework to these objectives.
- Parents are expected to ask the child to show/discuss checked or corrected homework.

If parents have questions or concerns at any time, they are encouraged to contact their child's teacher.

#### B. Report Cards

Report cards will be mailed home in November, March, and June. Please refer to your Rio School District Calendar for the exact days. The November report card will be discussed with you at fall parent conferences.

#### C. Attendance Recognition

Our school is proud to recognize students during the school year for their academic success and improvement. Regular, on-time attendance is crucial to ensure that students continually progress toward mastery of grade level expectations. Those students who have perfect attendance (arriving on time every day and completing the entire day) will be recognized.

#### D. Textbooks

Students are issued textbooks at the beginning of the school year. They will be responsible for any lost or damaged textbooks. Failure to pay for replacement of these materials may result in a delay in the release of school records and may affect their participation in promotion ceremonies or other school activities.

#### E. Physical Education

All students are required to participate in physical education activities. If a student is unable to participate due to illness or an injury, they must bring a written excuse from a parent or legal guardian and present it to their teacher. Excusal from PE may also result in restriction during recess activities based upon the reason for excusal. If your child is to be excused from PE for more than three days, a note from a doctor is required.

#### F. Response to Intervention and the Intervention Progress Team (IPT)

The Rio School District's leadership believes that a child's ability to learn is affected by social, emotional, behavioral, health and economic factors outside the classroom. The District's Response to Intervention (RtI) Model provides a framework making it possible for students to access a range of programs and obtain services that will support the individual needs of the child and his/her family. Both academic and Social/Emotional/Behavioral interventions are made available through site Intervention Progress Teams (IPT). The RtI process acts as a framework and organizing tool so that all district services and interventions will be accessible at the appropriate levels of interventions. The team is a regular education process that uses a positive problem-solving team approach to do everything possible to make students' school life successful. Parents of referred students are an important part of this process. The student's progress is monitored frequently to see if those

interventions are sufficient to help the student to catch up with his or her peers. If the student fails to show significantly improved skills despite several well-designed and implemented interventions, this failure to 'respond to intervention' can be viewed as evidence of underlying problems that may lead to an assessment for possible special education services.

#### G. Library

Our school provides library services for students. Students visit the library on a regular basis, during which times they can check out library books to read at home and at school. We understand that books may get lost from time to time, but this will not preclude your child from checking out library books. When a book is lost, we encourage your child to search for the book at home and will notify you of the lost book. Most times, books are recovered, but if a book cannot be recovered, we ask for your support to replace the missing book. Our goal is to maintain a diverse and relevant selection of reading materials and working together we can accomplish that goal. Our library is open to parents and students before and after school. We encourage you to come and read with or to your child or help them choose a selection of books to check out.

#### H. Field Trips

Field trips are part of the student's learning experience and are part of the school curriculum. They are planned and supervised by the classroom teacher. A permission slip must be signed by the parent prior to the trip. No child may attend any trip for which his or her permission slip has not been returned. Field trips are an extension of the school program and all school rules apply, including the dress code policy.

### 11 Code of Conduct

Our school adheres to the principles of Positive Behavior Support which include:

- Health and safety
- Legitimate Educational Purpose
- Property Loss and Damage
- Serious Disruption

Students are taught the importance of balancing their rights and responsibilities as citizens of our school community.

#### A. Student Rights

All students can learn, and they have the right to:

- Be safe and protected
- Be free from verbal abuse and harm
- Have personal belongings safe
- Be treated with respect
- Learn in a caring environment
- Learn without distraction

#### B. Student Responsibilities

Students are expected to display appropriate behaviors while in class, on the school grounds, while going to and from school, and during school-sponsored activities:

- Show respect for yourself and others.
- Be in assigned seat, ready to work and with all materials, when the bell rings.
- Follow directions the first time they are given.
- Keep hands, feet, and objects to yourself.
- Use a pleasant voice when talking to others.

### C. Sexual Harassment

Rio School District prohibits student sexual harassment. Student sexual harassment includes student-to-student, adult-to-student, or adult-to-adult harassment. Sexual harassment is any unwelcome sexual behavior from another person and can include sexual comments, jokes, rumors, graffiti, or touching or staring in a sexual way. Students who sexually harass other students at school, at a school related activity or while going to, or coming from school, will be disciplined. Appropriate student discipline for sexual harassment may include suspension and/or expulsion. Students who believe that they have been sexually harassed either by an adult or by another student should immediately tell the school principal, a teacher, or a school counselor so that the District can take action to stop the harassment and protect the student.

#### EDUCATION CODE SECTION 231.5.

(a) It is the policy of the State of California, pursuant to Section 200, that all persons, regardless of their sex, should enjoy freedom from discrimination of any kind in the educational institutions of the state. The purpose of this section is to provide notification of the prohibition against sexual harassment as a form of sexual discrimination and to provide notification of available remedies.

(b) Each educational institution in the State of California shall have a written policy on sexual harassment. It is the intent of the Legislature that each educational institution in this state include this policy in its regular policy statement rather than distribute an additional written document.

(c) The educational institution's written policy on sexual harassment shall include information on where to obtain the specific rules and procedures for reporting charges of sexual harassment and for pursuing available remedies.

(d) A copy of the educational institution's written policy on sexual harassment shall be displayed in a prominent location in the main administrative building or other area of the campus or schoolsite. "Prominent location" means that location, or those locations, in the main administrative building or other area where notices regarding the institution's rules, regulations, procedures, and standards of conduct are posted.

(e) A copy of the educational institution's written policy on sexual harassment, as it pertains to students, shall be provided as part of any orientation program conducted for new students at the beginning of each quarter, semester, or summer session, as applicable.

(f) A copy of the educational institution's written policy on sexual harassment shall be provided for each faculty member, all members of the administrative staff, and all members of the support staff at

the beginning of the first quarter or semester of the school year, or at the time that there is a new employee hired.

(g) A copy of the educational institution's written policy on sexual harassment shall appear in any publication of the institution that sets forth the comprehensive rules, regulations, procedures, and standards of conduct for the institution.

#### D. Bullying

The Rio School District is committed to maintaining a learning environment that is free from discrimination, harassment, violence, intimidation, and bullying based on actual or perceived characteristics set forth in section 422.55 of the Penal Code and E.C.220 and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics.

Bullying is defined as unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose. Both students who are bullied and students who bully others may have serious, lasting problems.

What students and parents can do:

What students can do:

- Be a friend to others: introduce yourself to new student, invite other students to play or hang out with you, work with an adult to solve disagreements.
- Talk to an adult.
- Be a supportive bystander; Speak to an adult if you see another student being bullied.

What parents can do:

- Volunteer in the school.
- Participate in the School Safety Committee, School Site Counsel, Parent English Language Committee, or other school wide committees.
- Notify your child's teacher, school counselor, or Principal if your child reports bullying to you or you suspect something is wrong.

#### E. Bus Conduct

BP 5131.1: In order to help ensure the safety and well-being of students, bus drivers, and others, it is expected that students will always exhibit appropriate and orderly conduct when using school transportation, including while preparing to ride, riding, or leaving the bus. The Superintendent or designee may deny a student the privilege of using school transportation upon the student's continued disorderly conduct or his/her persistent refusal to submit to the authority of the driver.

#### F. Playground Behavior

Students shall:

1. Follow directions and playground rules

2. Stay in assigned areas
3. Keep hands, feet and objects to themselves
4. Treat others with the respect (no teasing, insulting, provoking)
5. Use equipment appropriately
6. Follow school procedures as set by the administration and teachers

Consequences for Misbehavior:

School site staff will follow the district discipline matrix for inappropriate behavior. Inappropriate incidents are reported to the Principal or his/her designee who completes the following:

1. Holds a conference with the child/children to provide due process.
2. Contacts child's teacher and/or parents/guardian to report the incident.
3. Determines an outcome which is appropriate to the incident and which helps the child correct his/her own future actions.

The goal of this process is to assist students in understanding the relationship between rights (free play time on the playground) and responsibilities (maintaining appropriate behavior). Ongoing referrals may be addressed through an Intervention Progress Team (IPT) meeting including playground personnel, parent, teacher, and principal.

#### H. Unacceptable Behavior and Suspensions

The Following behavior is UNACCEPTABLE and will result in consistently applied discipline (according to Education Code 48900, 48260, 31583):

School sites will follow the Rio School District's Progressive Discipline Matrix for unacceptable behaviors.

- Threatening, bullying, fighting, assault and battery.
- Extortion (taking or attempting to take money or property from another person by use of a threat).
- Truancy: excessive absences and/or tardiness.

### Improving the Academic Achievement of the Disadvantaged

The purpose of this title is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging State academic achievement standards and state academic assessments. This purpose can be accomplished by —

- (1) ensuring that high-quality academic assessments, accountability systems, teacher preparation and training, curriculum, and instructional materials are aligned with challenging State academic standards so that students, teachers, parents, and administrators can measure progress against common expectations for student academic achievement;
- (2) meeting the educational needs of low-achieving children in our Nation's highest-poverty schools, limited English proficient children, migratory children, children with disabilities, Indian children, neglected or delinquent children, and young children in need of reading assistance;
- (3) closing the achievement gap between high- and low-performing children, especially the achievement gaps between minority and nonminority students, and between disadvantaged children and their more advantaged peers;
- (4) holding schools, local educational agencies, and States accountable for improving the academic achievement of all students, and identifying and turning around low-performing schools that have failed to provide a high-quality education to their students, while providing alternatives to students in such schools to enable the students to receive a high-quality education;
- (5) distributing and targeting resources sufficiently to make a difference to local educational agencies and schools where needs are greatest;
- (6) improving and strengthening accountability, teaching, and learning by using State assessment systems designed to ensure that students are meeting challenging State academic achievement and content standards and increasing achievement overall, but especially for the disadvantaged;
- (7) providing greater decisionmaking authority and flexibility to schools and teachers in exchange for greater responsibility for student performance;
- (8) providing children an enriched and accelerated educational program, including the use of schoolwide programs or additional services that increase the amount and quality of instructional time;
- (9) promoting schoolwide reform and ensuring the access of children to effective, scientifically based instructional strategies and challenging academic content;

### 13 Progressive Discipline Plan

The Rio School District recognizes that to maximize the learning potential of each student the school environment must be safe, secure and peaceful. The following guidelines, in accordance with Education Code and Board Policy, are enforced district wide in a fair and consistent manner.

The Progressive Discipline Plan was developed for all schools within the Rio School District and outlines the Alternative Means of Correction that school sites may use, as well as consequences that may be issued for inappropriate student behaviors. Each administrator must consider the age, intent, and prior offenses of the student in determining the appropriate consequences. Situations not specifically addressed in this plan or unusual or extreme cases will be dealt with in accordance with District Policy and the California Education Code. If action warrants, students may be given consequences of second and third offense on the first offense.

In accordance with Education Code 48911, all home suspensions shall be preceded by an informal conference conducted by the principal or the principal's designee, the pupil, and whenever practicable, the teacher or supervisor or school employee who referred the pupil to the principal. At this conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense. At the time of the suspension, a school employee shall make a reasonable effort to contact the pupil's parent or guardian in person or by telephone, and the parent or guardian shall be notified in writing of the suspension within 24 hours. If the parent/guardian cannot be reached, the student's emergency contact number will be called. All unauthorized items brought to school and confiscated by staff *may be* returned to the student at the end of the school day on the first offense. Upon the second offense, parents may recover confiscated items, not held in evidence, upon administrative approval. Items not recovered by the end of the school year may be discarded.
