## IMPORTANT INFORMATION

### The Affordable Care Act and You

The Affordable Care Act (ACA)'s penalty for not having health coverage (known as the individual mandate) has been eliminated. However, if you are a taxpayer in California, Massachusetts, New Jersey, Rhode Island, Vermont, or the District of Columbia, you will be required to have health coverage (unless you qualify for an exemption) or pay the penalty for the 2022 tax year – these states have an individual mandate requirement.

- Enroll in a medical plan offered by The District or another group plan.
- Purchase coverage through a health insurance marketplace.
- Enroll in coverage through a government sponsored program.
- Have no coverage and incur a tax penalty.

Because The District’s medical plans are considered affordable and meet minimum value under Health Care Reform, you will not generally see lower premiums or out-of-pocket costs through the marketplace. In addition, employer contributions to your medical benefits will be lost if you choose to purchase coverage through the marketplace, and your portion of medical premiums will no longer be paid via payroll deductions on a pre-tax basis.

For more information on your coverage options, please visit [www.healthcare.gov](http://www.healthcare.gov).

### Annual Notices

State and federal laws require that employers provide disclosure and annual notices to their plan participants. The District will distribute all federally required annual notices upon hire and during each annual open enrollment period. To access the Rio School District annual notice packet please visit. <https://rioschools.org/departments/human-resources/>

The following is a list of the annual notices:

- Medicare Part D Notice of Creditable Coverage
- HIPAA Notice of Privacy Practices
- Women's Health and Cancer Rights Act (WHCRA)
- Newborns’ and Mothers’ Health Protection Act
- Special Enrollment Rights
- Medicaid & Children’s Health Insurance Program
- Summary of Benefits and Coverage

You may set aside part of your pre-tax earnings to participate in our Flexible Spending Accounts. *Please refer to Page 12 of this guide for the 2022– 2023 10thly deduction amounts.*

## Changes To Enrollment

The benefit elections you make will be in effect from October 1, 2022 to September 30, 2023. There will be an annual open enrollment period next year, during which you can make new benefit elections for the following October 1st effective date. Once you make your benefit elections, you cannot change them during the year unless you experience a qualified change in family status as defined by the IRS.

Examples include, but are not limited to:

- Marriage, divorce, legal separation or annulment
- Birth or adoption of a child
- A qualified medical child support order
- Death of a spouse or child
- A change in your dependent's eligibility status
- Loss of coverage from another health plan
- Change in your residence or workplace (if your benefit options change)
- Loss of coverage through Medicaid or Children's Health Insurance Program (CHIP)
- Becoming eligible for a state's premium assistance program under Medicaid or CHIP

Coverage for a new spouse or newborn child is not automatic. If you experience a change in family status, you have 31 days to update your coverage. Please contact The Risk Management Technician immediately to complete the appropriate election forms as needed. If you do not update your coverage within 31 days from the family status change, you must wait until the annual open enrollment period to update your coverage.
